Membership Application

The **OREGON FIRE APPARATUS AND EQUIPMENT MECHANICS ASSOCIATION** invites you to become a MEMBER and attend meetings throughout the year, as well as the Annual Conference in March. O.F.A.E.M.A. is a nonprofit, tax exempt, educational organization. The philosophy and goals of the organization are to provide an easier and more complete avenue for education on the service and maintenance of **Emergency Apparatus**. You will receive meeting minutes, access to a comprehensive website, information on upcoming classes and service bulletins.

Another goal is the standardization and national certification of Emergency Vehicle Mechanics. This is being accomplished through cooperation with the Emergency Vehicle Technician Certification Commission.

TO JOIN: Fill out this application form and mail it with \$30.00 payable to:
